

EngiNERDs - Team 2337
 2013 - KoP Chassis Hands-On Workshop
 Veteran Teams Parts List

The Following items will NOT be in the 2015 Veteran Teams Kit of Parts. Please bring them to the Workshop.				
✓	Qty	Item	Example Image	Notes
	1	Wireless Bridge		
	1	Driver's Station Computer (with power adaptor)		Classmate or other laptop
		Programming Laptop (OPTIONAL)		If different from driver's station
	1	Joysticks or Controllers		What you use to drive your Robot
	1	25-foot Cat5 Cable		
	4	Speed Controllers		May use Jaguars, Victors or Talons

We expect that the following items will be included in the 2015 KoP, but we will not know until the day of Kickoff. Please bring them if you can.				
	1	WAGO Connector Tool		
	1	USB Thumb Drive
