

**Grand Blanc High School Robotics Team
2016-2017 VEX Team Deliverables
Advanced Training Exercises**

This set of Training is designated for Students who have completed the 2015 VEX Deliverables AND held membership on the FRC Team in the 2015-2016 Season.

Each task must be completed, documented in an Engineering Notebook, and signed-off by one of the Mentors designated on the task instruction(s) before it will be considered fulfilled.

Completed Engineering Notebooks must be submitted to Clinton or Brandi by November 7, 2016 at 7:30pm in order to be eligible to apply for the 2016-2017 season of the FIRST Robotics Competition (FRC) Robotics Team.

Prototype Challenges - CHOOSE/COMPLETE AT LEAST ONE	Date Started	Date Completed	Entry Page Number(s)	Mentor Initials
Punkin' Chuckin' (Due July 30 th , 2016)				
Prototype Classic				

SMART Goal - COMPLETE ALL THREE	Date Started	Date Completed	Entry Page Number(s)	Mentor Initials
Identification				
Proposal				
Request for Action				

Competition Challenges - COMPLETE ONE	Date Started	Date Completed	Entry Page Number(s)	Mentor Initials
Skills Challenge Drive Coach				

VEX Team Deliverables - CHOOSE/COMPLETE AT LEAST ONE	Date Started	Date Completed	Entry Page Number(s)	Mentor Initials
Chassis Design Documentation				
Above Chassis/Intake Mechanism Documentation				
End Effector/Scoring Mechanism Documentation				
Programming Documentation				
OTHER:				
OTHER:				

Final Entry - COMPLETE ONE	Date Started	Date Completed	Entry Page Number(s)	Head Mentor Initials
Final Engineering Notebook Entry - <u>must be last deliverable completed</u>				

Date Submitted:	Head Mentor Signature:
