

Team Member Basic Conduct Guidelines

2012 – 2013 Season

To be read and signed by Student and Parent/Guardian

Students and Mentors on Team 2337 are held to a very high standard, and are expected to demonstrate behavior that reflects Gracious Professionalism at all times.

Students and Mentors may achieve this expectation by following these guidelines:

1. **All Voices Heard, One at a Time** – Everyone will have an opportunity to speak, but only once person should be speaking at a time. When an individual is speaking, all other students and mentors must remain quiet and respectful until an appropriate time to speak arises.
2. **Support, Encouragement and Respect** – Students and Mentors are expected to support and encourage all team members, as well as other teams, in order to strive for a personal best in all situations. All members should remain positive and respectful at all times.
3. **Behavioral Expectations** – Students, Parents, Mentors, and Guests should set a positive example, and remember that the team represents Grand Blanc High School, its Community, its Sponsors and *FIRST* Robotics. Inappropriate behavior such as horseplay, unnecessary physical contact, public displays of affection, cruel or inappropriate comments, inappropriate language and intentionally irresponsible behavior will not be tolerated. Behavior deemed inappropriate can result in dismissal or suspension from the Team.
4. **Student/Mentor Relations** – Students and Mentors should maintain a professional, respectful relationship both in and out of the Grand Blanc High School Robotics Team. Students should respect the decisions of all Mentors, and approach disagreements in a manner that reflects Gracious Professionalism.
5. **Student/Student Relations** – Students should maintain a professional, respectful relationship among their peers. If a conflict arises, students should handle the situation maturely, and seek the assistance of a Mentor if necessary.
