

Grand Blanc Robotics Team Medication Authorization Form:

Grand Blanc Community School Dist.

Permission form for administration of prescribed or over the counter medication during the Robotic season.

The Robotic team will have over the counter Medication such as ***Tylenol, Motrin, Tums, Benadryl, Pepto-Bismol, Cough drops, Imodium***, on hand at all time for students if needed.

I understand any medication will be given as indication on product packaging.

If a student requires a different over the counter medication then what the Robotic team has on hand it will need to be brought in, in its original container and given to the school liaison (Jody Nickola) to hold onto.

Students with inhalers will be allowed to carry them with them, they will only be asked to inform school liaison when they are using it so they can be monitored for their own safety.

I request that _____ may receive any of the above over the counter medication listed above or one brought in by the student while attending Robotics.

Parent or Legal Guardian Signature: _____. Date _____.

Prescriptions Medication as well as inhalers will need a form filled out by physician and parent. It's required to be in its original container with dosage and time indicated.
