Team,

Thanks to the generosity of the Grand Blanc Farmer's Market, we have been invited back to Partner with them for summer of 2015. The main purpose of this demo is to reach out to members of the Grand Blanc Community who typically do not gain exposure to Robotics. Team members are encouraged to attend and share their experiences on the Team, and recruit new Team members, Partners, and spread the word of FIRST. Team Members should sign up on the Google Doc linked below to attend. We hope you will join us!

Thanks,
 Clinton and Brandi
