Grand Blanc High School Robotics Team 2015 Marketing Deliverable Final Engineering Notebook Entry

Brandi Bolinger
bbolinger@gmail.com
248.249.1983

Mentor(s) to ask if you have questions about this Challenge: Clinton or Brandi Bolinger

The purpose of this entry is to gain feedback from you, the Student. Please be honest, but gracious, in your reply to these questions. One of the mottos of the EngiNERDs is continuous improvement, and it also applies to this. While no system is ever perfect, the great Vince Lombardi once said, "we will chase perfection, and we will chase it relentlessly, knowing all the while we can never attain it. But along the way, we shall catch excellence."

As your Head Mentors, it is our mission to strive to bring about positive change, to encourage hard work, to inspire students, provide opportunities for Students to grow as leaders, and to introduce Team Members to new knowledge and skills. We will always do our best as the Leaders of Team 2337; and we will continue to chase perfection, knowing that the Members of Team(s) 2337 will catch excellence along the way.

Engineering Notebook Entry Instructions:

Please use COMPLETE SENTENCES to answer the following questions:

1. What do you believe was the most challenging aspect of completing the deliverables?
2. Which set of deliverables did you enjoy most? Why?
3. Which set of deliverables did you enjoy least? Why?
4. What suggestions for improvement would you give to the Mentors that created the instructions? (REMEMBER: Please be honest and gracious!)
5. Do you have any suggestions for Clinton and Brandi for implementation for next year's VEX deliverables? *Please be reminded that Students must only complete this set of deliverables ONCE.* (REMEMBER: Please be honest and gracious!)
6. Will you be applying for membership on the FRC Team? Why or why not?
7. Will you continue participating on the VEX Team? Why or why not?
8. Additional constructive feedback is welcomed. (REMEMBER: When you win, say nothing. When you lose, say even less. -Paul Brown)

To Submit Your Engineering Notebook:

1. ALL STUDENTS will submit their Engineering Notebook on October 22, independent of whether or not the 18 deliverables have been completed.
2. Ensure that your Engineering Notebook Deliverables Checklist has been validated for all of the challenges you have completed, and your name has been printed CLEARLY on this page.
3. On the page following your entry above (which should be your last), please write "Date Submitted: _____" (enter the month, day, and year you submitted your notebook), and include your printed name and signature.
4. Bring your notebook to Brandi to obtain a sticker of completion
5. Sign the attendance sheet to transfer your Engineering Notebook into her care.
6. Notebooks will be redistributed sometime before Thanksgiving (date to be determined, based on the amount of time it will take to check the notebooks)
