Hey, NERDs!

Here is the updated agenda for the Kettering 2 District. Please disregard previous versions of this agenda, and use this one as your guide.

**IMPORTANT NOTE:** The policies listed in this document are very important. Students will be held to these expectations very strictly. Students AND Parents are expected to read this document in its entirety, and understand their responsibilities and acceptable behaviors.

The schedule listed on Page 4 is tentative. The event has not released exact times for the flow of rounds, so we have done our best to estimate times based on past events. As soon as the schedule is released to us, we will send out an update.

If you have any questions, please contact Clinton or Brandi via the information listed above. Hope to see you at the competition!

Graciously,

  
Clinton Bolinger  
Head Mentor

  
Brandi Bolinger  
Head Mentor

3. No Student may drive himself or herself or any other Student to or from this event. No exceptions.
4. Parents, friends, or other family members may not transport any Student (including their own student) without written permission from a Head Mentor and School Liaison. If a Student will be transported by a person other than their assigned driver, a Transportation Release must be completed. (For example, if a family is attending the Kettering District Competition Event on any day – even Saturday – and wishes to transport a Student, the aforementioned Student must be released from the supervision of the Team, via a written consent form, the *Transportation Release Form*.) The Team must receive a release form for each Student, signed by his/her parent/guardian, for each leg of transportation in which he/she will not be transported by the Team. Please see Jody Nickola for a release form. Forms should be completed prior to the mandatory transportation meeting.
5. Students leaving the competition early must check out with Brandi AND Jody before they leave. Failure to do so will result in disciplinary action, up to and including, but not limited to suspension from further competitions.

### Behavior Expectations:

1. Any Student who does not attend the competition on Friday MUST attend school! Attendance will be verified.
2. Students are expected to be on their best behavior while traveling with the Team, and must adhere to the Team Member Basic Conduct Guidelines and Team Member Expectations at all times. Per these agreements, any behavior or action(s) deemed inappropriate or detrimental to the Team (at the discretion of Head Mentors and/or School Liaison), will result in the Student's immediate dismissal from the competition. The Team will not be responsible for transporting this Student home; they must be picked up by their parents. The Team will NOT cover any cost to send a Student home due to inappropriate behavior, and will not refund any costs associated with missed Team activities.

Inappropriate behavior such as horseplay, unnecessary physical contact, public displays of affection, cruel or inappropriate comments, inappropriate language and intentionally irresponsible behavior will not be tolerated.
